

Diamond & Strayer

~~Strayer~~ • Diamond wants to start farther back - The Great Leap
• Where we came from

• Key idea: everyone was equal but certain people made advancements

• Strayer & Diamond have linked readings

• Strayer may not be saying they are equal
• Strayer is more fact & Diamond is more opinionated (possibly holding hands?)

Picture Strayer talks about

• Strayer's comment doesn't take away from validity, maybe trying to get people thinking

• Diamond balances his opinions & facts

- personalized

- we don't always know so speculation has to take place

- history is hard to make ~~into~~ into facts

• Diamond is a scientist but writes about history

• All start in Africa but how are we all different?

PICTURES

- Themes: religion & everyday life
- paintings of weapons
- interpreted as gods but could just be a 5 year olds

Lady who ate people

- hunters wanted prayers but feared her
- she controlled spirit life
- represents that hunting is dangerous? they could die?
- could have been on drugs

Kung woman

- share the wealth
- value of loss & gain
- loss & feeling sad - they did have feelings
- this is only one interpretation & story so this could be just her experience not everyone else's
