Reasons for agriculture

can stay stationary

lack of resources

primary food source last

feeds a bigger population

Diamonds Points

It's not the obvious decision to farm as it is today

Criteria for plants

size

taste

color

seeds

How did plants become domesticated? was it a conscious or unconscious idea?

responses:

not a conscious idea, happened by chance and noticed by peoples.

Three societies (strayer)

Comparisons

high value of family

social hierarchy

ceremonies/rituals/religion

agriculture

gender roles

Differences

Belmans monogamous

Some more ceremonial

geographic isolation

Belmans, Kenyans favor physical strength

W. Indies veneration of lucky statues

Belmans → Priests have judicial

authority Human sacrifices

time period
